Dear Hickman Valley Irrigation Water User:

Due to errors in the spreadsheet that was attached to the previous letter of April 27, 2009, I am providing this follow up letter of clarification. The following errors were corrected:

- Kay Hickman's actual water right is **.5 CFS**, was incorrectly showing as .05
- Josh Crowther's right for **.05 CFS**, which was inadvertently left off due to an oversight
- Cody Clapp (Paul Daughters) amount is **.66666 CFS** not .6668 as previously shown
- Morrison's amount was corrected to **.8083 CFS** not .8082 as previously shown

The spreadsheet attached to this letter has the corrected amount shown. In addition, I computed a suggested strait line proportionate assessment of amounts due from each water user to cover the current assessment bill. Note that the B water was assessed at 50%. An agreement or organization among the Hickman Valley Water Users might adjust these suggested amounts, however the full amount should be paid to the Division before the payment deadline to avoid the 10% delinquent penalty.

Also note that the mailing list has not changed from the previous letter.

I apologize for the error and appreciate the water users contacting me with questions to insure this data is accurate. I hope that this correction rectifies problems in the spreadsheet. If you have any questions concerning this matter, please contact me by phone at 801-538-7430 or by e-mail at MikeSilva@utah.gov.

Sincerely,

Mike Silva
Distribution Engineer
